My dear Mrs Selby
 I must congratulate
 you on the success
 of your son & at the
 same time beg that
 you will thank him
 as he deserves in my
 name for the repeti-
 tal nursing like
 which I received to
 day. I am very much

of your kindness &
have recalled me
in this season upon
you that I am
most grateful
for your unvaried
friendship & kindness
towards me. -

I trust I hope
that the young
married couple

will be as happy as
all their friends
will wish them to be
& that they will lay
out their happiness
uninterruptedly
with me & your
good wishes. You
all your family
as well as your
dear excellent self
