St. James's.
Thursday morning.

Ever Dear Lady Bage,
I hope your Ladyship
has not yet taken any steps respecting Lady
Anne's Dowry as I think when I have the plea-
-sure of seeing your Ladyship today I may
give reasons for at least delaying for a few
days any direct communication with the
excellent Lady: I am on the point of my depar-
-ture and my people are but still hope to settle
things agreeable to all parties I must consider
as in and ever believe me,
Yours sincerely
D. Pitt Rivers
