Dear Brother,

As I am under the necessity
of dining with the Prince of Orange on Thursday 5th
October I must request you will make your dinner
and bed here on Wednesday 4th which may perhaps
be more convenient to you as you will have only three
miles to go to the review the next morning. write me
word by return of post if you mean to come in order
that I may invite Lord Leicester Henry Sandys
Duke Devon Sir Robert Ansell and Braddy Usholme

with his family at Hampton.

Dear Brother,

Yours affectionately,
