July 10: 1809.

Dear Brother,

My being out when your over-

want came will be the cause for my not writing you

er: I have been very much indisposed and being used

only to the gout and accidents I receive I have been

very ill: I must decline the invitation of the Gene-

ral and Mr. St. John being still debarr'd meat-

and wine and for these reasons I cannot meet you

tomorrow at Count. Starbuck's: on Tuesday I go

to town where I believe Parliament will keep

me for some days: I shall of course see you: in the
mean time advise: my best love to Mr. Fitzgibbon
and believe me,

Dear Brother,

Yours most affectionately

J. William
