August 3^d. 1823.

Dear Sir,

Thank God the King is now
in that state of health to be able to receive
the Duke of Meinar. He returned last evening
from his tour over the three Kingdoms and
is most anxious to pay his respects to His
Majesty. I must at the same time observe
that the Duke of Meinar who is very
kind with child and had the honour of being
presented three years ago to the King is equally
desirous of having the honour of again

waiting on His Majesty's services to her de-
parture for Ghent.

I will thank you to take the King's pleasure
on both these points and inform me of the com-
mands and wishes of my brother.

The Princess of Westmeath who is with
us here joins me very sincerely in good wishes
to yourself; and ever believes me,

Dear Sir,

Yours unalterably
