Portman Street.

Thursday
7th.

Dear Brother,

I am just returned from

the Duke of Kent and trust I have succeeded in most respects: I found him communicative and really well disposed to the Duke of York which I think the enclosed paper will prove: I have of course more to say and which I will relate tomorrow when I see you.

Though it had fair to have a copy with the Duke of Kent of the enclosed paper and remain,

Yours affectionately
P. B. Schomberg
